

# Welcome to *my* first church online community

## MyFirstChurch

Church Community Builder is known to us as MyFirstChurch. We signed up with CCB in May of 2017 and put together an Implementation Team consisting of Suzanne, Dawne and Elliott. We have spent the last several months in intense training working with a specialist weekly via video conference to make sure that the system is set up for our best use.

The implementation training is now complete and we are ready to start the process of training others to use the new system. We are beginning our training with church leadership and plan to roll it out to the congregation in the spring.

Thank you for taking this journey with us! Our hope is that MyFirstChurch brings us together as a faith community and enhances our church experience!

Sincerely,

Suzanne, Dawne and Elliott
