

# Welcome to *my* first church online community

## **MyFirstChurch - Launching Phase 1**

We are excited to announce the opening of our new online community, MyFirstChurch! This is a place to connect with other church members, be involved in groups, sign up for events, and much more!

**Phase 1 – April 2nd.** We are inviting families with children to join our online community first. This will give parents the opportunity to update their family profile with accurate up-to-date information and set their privacy settings. Children under the age of 14 are hidden from the general users in the system (only those with a background check and safety certified can access children's information for the purpose of running of church school programs). We will be sending out an email inviting you to join MyFirstChurch. Follow the link in the email you received to create a user ID and password. Feel free to explore the system to find out what it can do for you!

**Phase 2 – May 1st.** We will invite the rest of the congregation to join the system by email in May. Follow the link in the email to create a user ID and password. We will have group training sessions and articles in Sunday Notes and Tidings with helpful tips along the way.

Please watch this instructional video explaining how to update your profile, communication, and privacy settings: <https://player.vimeo.com/video/159083491>.

If you have questions or concerns, or if you would like to be unlisted in the system, please contact Suzanne at [suzanne.nardi@whfirstchurch.org](mailto:suzanne.nardi@whfirstchurch.org).

We look forward to doing church in a new way with you!

Sincerely,  
Suzanne, Dawne and Elliott
