Special Concerns-

In order to provide the best church school experience we can for your child, please use the space below to make us aware of any special needs your child may have. We are happy to discuss any of your concerns. All information is held in confidence and shared only on a need to know basis.

Photo Release

Occasionally we take photos of our students in classrooms or during special programs to use on bulletin boards, our website, local newspapers, power point presentations and social media, to share the good news of the mission and ministry of First Church. If you are comfortable with the use of your child(ren)'s photographs for church purposes, please sign below.

I hereby grant permission to First Church West Hartford to use any photographs of my child(ren) taken during church sponsored activities for church purposes only as described above. I understand that I will be contacted for special permission should any photo be considered for use other than described above.

Safe Church Procedures

For the protection and safety of the children in our care, we have implemented a check-in system. Each Sunday morning, parents will sign in their children at one of three check in locations –inside the front doors of the Meeting House, at the side door, or in Room 216 (infant and toddler care). When you are checked in, two stick-on nametags will be generated. One will have the child's name and a code, and one will have two matching codes. After church school, you will present your tag to the church school teacher who will match your code to the code on your child's nametag. This new system allows us to know exactly who is in our care AND to who they should be released to at the end of the service.

*Providing your mobile carrier will allow you to receive text communications from your child's church school teacher through our Church Community Builder database, known as MyFirstChurch. You are welcome to enter this information via your MyFirstChurch personal profile as well as on the front of this form.

Covenant:

I further understand that many volunteer hands are needed. I covenant to use my gifts in some way this program year to support the Children's Ministry and Youth Ministry programs of First Church. As a partner in this ministry, I pledge to uphold and support my child(ren)'s/youth's involvement in all aspects of participation including supporting the church school teachers in their efforts to teach this year. Additionally, I agree to utilize the check in system outlined above so that the First Church staff and volunteers can provide a safe environment for all our children.
