

Sunday Notes

January 10, 2021

Looking Towards Sunday

As we conclude the Christmas season and enter into the season of the church year called Epiphany, we are focusing on creativity in worship. A silver lining in this pandemic season has been the tremendous outpouring of human creativity. Creator, created, creating corresponds to the three parts of the trinity. I'm preaching on Genesis 1:1-5, God created. And then what? All are welcome!

Cyber Coffee Hour this Week

Share something (it can be a photo that you share from your screen, or an object) that you or someone in your household has made using their own creativity. We'll spend part of our time in small groups. Join us!

Taizé Service

Sunday, January 10th, at 5 pm

This contemplative service of song, scripture and quiet meditation is a wonderful opportunity for reflection and opening our hearts to the presence of The Holy One. All are welcome. You can find a video of our Taize service on our website [here](#).

The snowflake images shown here and during the online service are used with permission from the Jericho Historical Society. They were created by Wilson Bentley, a farmer from Vermont who was affectionately known as "Snowflake" Bentley. On January 15, 1885 Bentley "became the first person to photograph a single snow crystal. He would go on to photograph well over 5,000 snow crystals," which were shared in his 1931 book, [Snow Crystals](#), as well as numerous magazines and scientific journals.

Let's Listen and Discuss

Sunday, January 31st, during Cyber Coffee Hour

The Interim Transition Team will present an overview of the recently concluded congregational survey results. This will be an opportunity for our entire First Church community to hear a summary of the survey results and begin to engage in discussion about areas where we may want to initiate further review and discussion. We can use information gleaned from the survey to spark conversation about our future. Please plan to participate – all are welcome (even if you missed filling out the survey!)

Announcements

Update from the Search Committee

As we begin the new year, the Senior Pastor Search Committee, along with the Interim Workgroup, has begun to review some of the preliminary results from the congregational survey. This step is important to check for consistency between the feedback from the congregation and the expectations and values expressed in the church profile. The committee also met with our lay leaders to review the Senior Pastor compensation package which will be reflected in the proposed 2021 budget.

The profile will be available for review soon and then sent to the Southern New England Conference of the UCC for validation and posting. The Search Committee will then turn its attention to organizing to receive and review profiles from interested candidates.

With thanks for your continued support and prayers,
Amber, Amy, Doug, Glen, Liz, Robert, Ryan, Seth, and Suzanne

Two Heart-felt Thank-you Notes from Loaves & Fishes Board Members

From Beverly Hughes:

Please pass on to your many helpers at First Church the appreciation of their continued support of Loaves and Fishes. The canned goods which you leave for us on Mondays allow us to fill weekly pantry bags which we give to our clients. The contribution of 42 dozen Christmas cookies was a truly wonderful surprise. It was a welcome addition to our holiday meal. The Board of Loaves and Fishes as well as its clients are very grateful for your generosity. Thanks for your work in coordinating this effort.

From Tom Trimble:

What can I say... your ongoing monthly donations really came to us at an ideal time, and your continuing supply of canned goods is so supportive of our clients ongoing needs, but most of all, your 42 dozen homemade Christmas cookies was the best donation EVER to our folks during the Christmas Holiday... you and your "team" are the best!! Thanks SO much for your generosity and caring for those in need. Happy Holidays!
